

# LE&D Consulting Group, LLC

*Empowering Growth Through Training and Development*

LE&D Consulting Group specializes in delivering tailored training and consulting solutions designed to enhance organizational performance, foster inclusive workplaces, and empower leadership at all levels. As a veteran-owned small business, we leverage over two decades of leadership expertise to craft interactive, results-oriented programs that meet the unique needs of our clients. Our flexible approach includes in-person, hybrid, and fully remote formats to ensure accessibility and impact.

## **Mission Statement**

To empower organizations and individuals with the skills and strategies needed to thrive in today's dynamic workplace.

By focusing on practical solutions and measurable outcomes, we help organizations build stronger leaders, improve team dynamics, and create lasting cultural transformation. Whether addressing leadership development, fostering diversity, or navigating organizational change, LE&D Consulting Group is committed to driving sustainable success for your team and business.

## Core Competencies

- Leadership and Management Training

## Past Performance

LE&D Consulting Group partnered with the University of Nebraska to deliver a tailored workshop on *Understanding and Managing Toxic Leadership*. The session provided actionable strategies to address toxic behaviors and build team resilience, receiving over 90% “excellent” ratings from participants for its relevance and practical insights.
